July 2019

Imagine, Create, Enjoy

Bits From The Board

The Guild did not have a regular monthly meeting in June, nor did we have a Board meeting.

Our General meetings will resume in September; the Board will meet the third Sundays in July and August at 2 p.m. in the Art Museum. All are welcome and encouraged to attend.

We were saddened this past month to lose long time Board member and Vice President Judy Churchfield, who passed away after a short illness. Her wise counsel and gentle demeanor will be greatly missed. At her request, we gathered up her art supplies and took them to the Academy for Arts and Sciences on International Drive. A lot of her personal items were also donated to Sea Haven. All donations were appreciated and she would have been pleased with the result.

Our next sponsored event will be the MB Home Show in September. Art in the Park will follow in October and November. October will also feature our annual Members Show. It's always a treat to see the wonderful art that has been created over the summer.

- Carolyn Powell, President

Myrtle Beach Art Museum

Can't You Sea? – an exhibition of ARTifacts created by six artists/activists: Dianna Cohen, Alejandro Durán, Sayaka Ganz, Pam Longobardi, Aurora Robson and Kirkland Smith, who employ discarded plastic as both an artistic medium and as subject matter. While helping make the world a better place by keeping plastic out of our oceans, beaches and waterways, these artists are

bringing awareness to this increasing environmental threat by using that plastic to make beautiful art objects that speak to the dangers of ocean plastic pollution.

Emily Esdaile Weston (1810-1886): The Legacy of a Planter's Wife

June 4th – September 1st

Over the course of 25 years (1844-1869) Emily Weston documented the architecture, flora, fauna, and landscapes that she encountered around her properties in Horry and Georgetown counties using graphite, ink, and watercolor. She provided us a window into the past with a view of our coastal area 150 years ago.

One More Thing...

It has truly been a “scorcher” so far this summer. I suspect that some great art has been created in our cool air-conditioned spaces. I enjoy playing golf, but it has been too hot recently, and I don’t like “heat strokes” (or too many strokes). I am probably not alone in that. So be cool and create...cooler weather will arrive in a couple of months (better for golf). The Member’s Show will be here in October so get ready now. Have a great summer!

Tom Britton, Editor

WACG Show & Communications Director

PS – Dixie Dugan has accumulated a lot of art paper and has decided to sell some of her supplies. I have attached a list of the items that she is selling for much less than her cost. This is a great opportunity, particularly for watercolor artists. Check it out.
