### *Bits From The Board*

Another month gone by - doesn't time fly, etc, etc!

The Board met briefly in January to touch base.

Tom Britton updated us on the Home Show, which will be held this month at the MB Convention Center. Things will be spread out for proper social distancing and other precautions will be in place to make the event as safe as possible. We wish participating artists well and hope they find a good market for their work.

Our Juried Show at the art museum, April 29-May 27, will be judged by noted Charleston artist Dee Beard Dean. The prospectus has been sent out and entries are due March 1st. The event's exact format is not known at this time, but it is doubtful that a reception will be possible due to health concerns.

April's Art in the Park is still on tap, cross your fingers.

Please continue to follow all safety guidelines, and get vaccinated as soon as possible. If "earth without art is 'eh'," what would the world be without artists?

Take care.

- Carolyn Powell, President

## Monthly Meeting

This month we will not have a monthly meeting due to Covid-19. We do, however, have some programs for you. Board member Larry Bunch has found some great programs for us...see below.

## Virtual Program Info

### Artist Presentations at In-Person Monthly WACG

**Meetings – Not Yet:** Since, as a guild, we are not at this time able to have our regular monthly guild meetings together, perhaps the offerings below will provide you with some new-found knowledge, inspire you to look deeper and think harder about art and artists, and motivate you to continue your creative output in these very challenging times. No Quizzes :)

**Viewing Directions:** If you are reading this online, just click the blue https link provided below the title of the presentation and it should go right to the presentation. If you are reading this in a printed-paper version you will need to get to a computer, a smartphone, or tablet that can connect to the Internet. Once you have opened an Internet Search Box, carefully type the exact https link of the video you wish to view into the Search Box and press Search or Enter or Return depending upon the device you are using.

### FEBRUARY VIDEO PRESENTATIONS

February is the shortest month of the calendar year. Yet, it contains an impressive assortment of National Days, some of which you may or may not readily recognize. A sampling includes - *National Freedom Day* (Feb. 1), *Groundhog Day* (Feb. 2), *Rosa Parks Day* (Feb. 4), *Lincoln's Birthday* (Feb. 12), and *Valentine's Day* (Feb. 14). There are also, among many, many others, such days as - *National Tater Tot Day* (Feb. 2), *National Weatherperson's Day* (Feb. 5), and *Random Act of Kindness Day* (Feb. 15). So, like the month of February, which is somewhat short in length but rich in a variety of notable days, the video presentations provided for this month may also seem to be a mixed bag of topsy-turvy topics. I hope that's a good thing as I do strive to bring a variety of diverse and interesting content to you each month.

Enjoy.

## AMERICAN SOCIETY OF MARINE ARTISTS 18TH NATIONAL EXHIBITION

January 16 – April 17, 2021

Marine art is a genre that depicts maritime activities, inshore and harbor scenes, naval scenes, ship portraits, waterscapes and marine wildlife. Marine art took root as its own genre during the Dutch Golden Age of the 17th century, when artists began to make their careers by specializing in naval and trade ship portraits and scenes. Many of the conventions of the Dutch tradition of marine painting are still practiced today. The Romantic period of the 1900s ushered in the dawn of the popularity of the seascape, making waterscapes absent of vessels common for the first time. European marine artists, who came to America, helped establish this genre in prosperous port cities, including Boston, New York and Salem.

The American Society of Marine Artists is a non-profit organization dedicated to the promotion of marine art and maritime history, with a focus on education and the exchange of ideas among artists, collectors, educators, historians and students. Since its founding in 1978, the ASMA has presented its prestigious national exhibition biennially. Featuring 110 paintings, drawings and sculptures representing the very best in marine art, this highly sought after exhibition is touring museums throughout the United States, and the Art Museum is proud to be one of those venues.

### The 24<sup>th</sup> Annual Waccamaw Arts & Crafts Guild Juried Show

April 29<sup>th</sup> – May 27<sup>th</sup>, 2021

The prospectus is available and we are already taking in entries. The deadline for entries is March 1<sup>st</sup>. If you intend to enter you should go to the website and download and print a copy of the prospectus and study it carefully. There have been some changes and there are specific requirements for entries. Remember, you can enter online,

which is the best way. If you need help with the online entry, call me at (843)907-6875.

After all the Covid19 downtime, we should have some outstanding art for the show.

Our judge for this year's show is Dee Beard Dean, a very successful designer and artist. Her bio is extensive, so you might want to look her up on her website. We are very pleased to have this very special judge. Get to work and let's show her some great art!

We will, once again, face some challenges with the Covid 19 virus. Unlike last year, we have a number of options to get it done. It is unlikely that we will have a normal reception, but we will have awards and our art will be on display at the museum for a month. Unless, the sky falls or hell freezes over, we will have some kind of show, awards, etc.

## *One More Thing -*

We were starting a new year with cautious optimism that things would be better in 2021. Unfortunately, the groundhog has already predicted 6 more weeks of winter, there are already a couple of new strains of Covid, and it seems like everyone has gone crazy. I am, however, still trying to be optimistic about our shows and events. Maybe, I'm a little crazy too!

We will just have to take things one day at a time. Take care, stay healthy and get to work on a masterpiece for the Juried Show. I hope to see all of you sometime soon.

WACG Show & Communications Director
