Bits From The Board

Bits from the Board

The Summer is in full swing. Many of our members are hopefully enjoying the sunshine and fresh air. Some of our members are part of different art groups that get together and create.

Remember, the fall Member show will be upon us sooner than we think, so hopefully people are thinking about entries.

There are no member meetings until September, there is however a Board of Directors meeting in August at Peace love and Little Donuts.
Have a great Summer

Monthly Meeting

THE WORLD OF FRIDA

June 18 – September 24, 2022

One of the most well-known female painters in the history of art is the fiercely brave and passionate Mexican painter Frida Kahlo (1907 – 1954), who is, today, a shining example of empowerment, beauty and determination. Her name alone conjures her self-image in our minds, as her numerous self-portraits in which her unibrow is her most discerning feature are considered iconic examples of her work. As

with many artists that have come before and after Frida, her work did not receive critical acclaim until a couple of decades after her death. It was in the late 1970s that art historians and political activists began to rediscover and examine her work, which eventually led to Frida becoming a champion for the Chicana, feminist and LGBTQ activist movements. It is Frida's fearless expression of honest individuality and the human condition that has inspired the 114 works of art in a variety of media by 94 artists from around the world in the Art Museum's exciting summer exhibition *The World of Frida*, which was organized by The Bedford Gallery at the Leshner Center for the Arts in Walnut Creek, CA, and has been traveling the country since 2018. The Art Museum is proud to be one of the last venues to host the traveling exhibition, particularly during this very special year, 2022 – the Art Museum's 25th anniversary.

The art museum is looking for volunteers to work in the gift shop and at the front desk on Sundays from 1-5pm. They also need some volunteers to work the World of Frida Community Day events. Please contact the museum at -

One More Thing -

Actually, a few more things this time!

First, and foremost, we need a few more Board members. Many of you expressed interest in being a part of our Board of Directors. There is a lot going on and we need input and participation to keep it all going. We have had some applicants and we are reviewing their information. I believe that we will have some great additions to our Board of Directors. We need to move forward with our projects and our constant efforts to further the interests of the Guild.

I have been working to try to improve our communications with the members. It has involved some new procedures which I hope to be able to implement in the next month. As many of you are aware, we have experienced issues over the past year which involve customers of AOL, Yahoo, and Gmail. Some of our members have missed important announcements due to security features in the servers of these providers. I have gone so far as to contact the providers, but got no help. I am currently working on what I hope will be a permanent fix. Until it is done, we will still show email addresses of all the recipients of our mailings to assure delivery. Again, I hope to have it worked out this month.

I will be announcing and taking applications for the HGHBA Home Show, September 16th – 18th sometime in the middle of August. Watch for the announcement as all participants are selected on a first-come, first-serve basis. Space is very limited, so respond quickly when the announcement is made. This is an indoor event at the convention center that is focused on sales of art and craft items.

Remember, we will have a Member's Show in October. We are halfway through the summer. Have you been working on your art? Have you been working on anything? Really? Get to work, the Member's Show will be here soon! Seriously, enjoy your summer, be safe, be happy, and we will see you in the fall. Our meetings will start back in September....see you then.
